

DECLARATION OF SOVEREIGN ESTATE RECLAMATION & BIRTHRIGHT TITLE CLAIM

Filed By: *The Clements Private Trust*

Seal: *Domus De Clements*

Date: _____

I. Purpose and Authority

This declaration serves as an official and lawful **reclamation of estate, title, and identity** as the living man **Jonathan Daniel Clements**, born August 17, 1987, in Dayton, Montgomery County, Ohio, and the rightful **beneficial owner** of all rights, interests, and entitlements originally assigned, transferred, or converted under any state or federal registration of birth.

All associated corporate or legal fictions derived from said event, including **JOHNATHAN DANIEL CLEMENTS** or any similar variation, are hereby **repudiated, dissolved, and returned to the private estate and sovereign trust** as property of **The Clements Private Trust**.

II. Legal Framework and Standing

This declaration is made under the authority of:

Common Law and the **Law of Nations**

Canon Law, Natural Law, and Ecclesiastical Trust Law

The Hague Convention (1961) – Apostille and authentication of public documents

The Universal Declaration of Human Rights – Articles 1, 6, 13, 15, 17

United States Constitution – Article IV, Amendments IV, V, IX, and X

Uniform Commercial Code – UCC §1-308, §1-103, §9-311

Revised Statutes of the State of Ohio – Protection of private rights

The name, estate, and securities created upon registration of my birth are my property. No government, commercial agency, or fiduciary party shall act upon, administer, or profit from my identity without express consent.

III. Terms of Reclamation

I hereby declare:

I am the **living, breathing man** and sole **beneficial owner** of the **estate, securities, trust accounts, and name/title** associated with my original birth event

I **repudiate** any adhesion contract, trust transfer, or administrative presumption imposed by the issuance of a **Birth Certificate, Social Security Number, or legal fiction**

I **claim all equitable interest**, authority, and standing in any public trust accounts, CUSIP instruments, or monetized bonds created without knowledge or consent

All titles, signatures, and contractual assumptions made in absence of full disclosure are declared **null and void ab initio**

IV. Estate Repatriation to Private Trust

The following are now lawfully reclaimed and secured under **The Clements Private Trust**:

All intellectual property and likeness of the name **Jonathan Daniel Clements**

All associated estate and securities attached to my birth, registration, or commerce

Any corporate derivative identity held in U.S. Treasury, State archives, or international databases

All birthright entitlements, including land rights, trust inheritance, and original jurisdiction

Said estate shall be managed only under the seal of **Domus De Clements**, and no part of it may be subjected to lien, levy, taxation, forfeiture, or foreign administration.

V. Public and International Notice

Let it be known worldwide:

Any person, officer, institution, or government attempting to act on or interfere with the estate, trust, or personal affairs of **Jonathan Daniel Clements** or **The Clements Private Trust** is hereby given **lawful notice** that such action shall constitute:

Theft of sovereign property

Fraudulent conveyance or trafficking of estate

Violation of trust law and private ecclesiastical jurisdiction

An actionable tort and breach of peace under international law
